# THE LANCE 1963

Southern Pines High School

Southern Pines, North Carolina

WISDOM is the principal thing;

therefore get wisdom:

and with all thy getting

get understanding.

Proverbs IV:7

# Dedication

To the person who has captured our hearts so subtly  
that now they are hers forever.

"Unless we think of others and do something for them,  
we miss one of the greatest sources of happiness."

You have missed nothing.

Now, after four years, it is our turn to give, and to  
remember you in this simple manner.

The Class of 1963 proudly dedicates this LANCE to you,

MRS. AUSTIN LATIMER.

Back to classes, three minutes between;

To football kickoffs; autumn leaves;

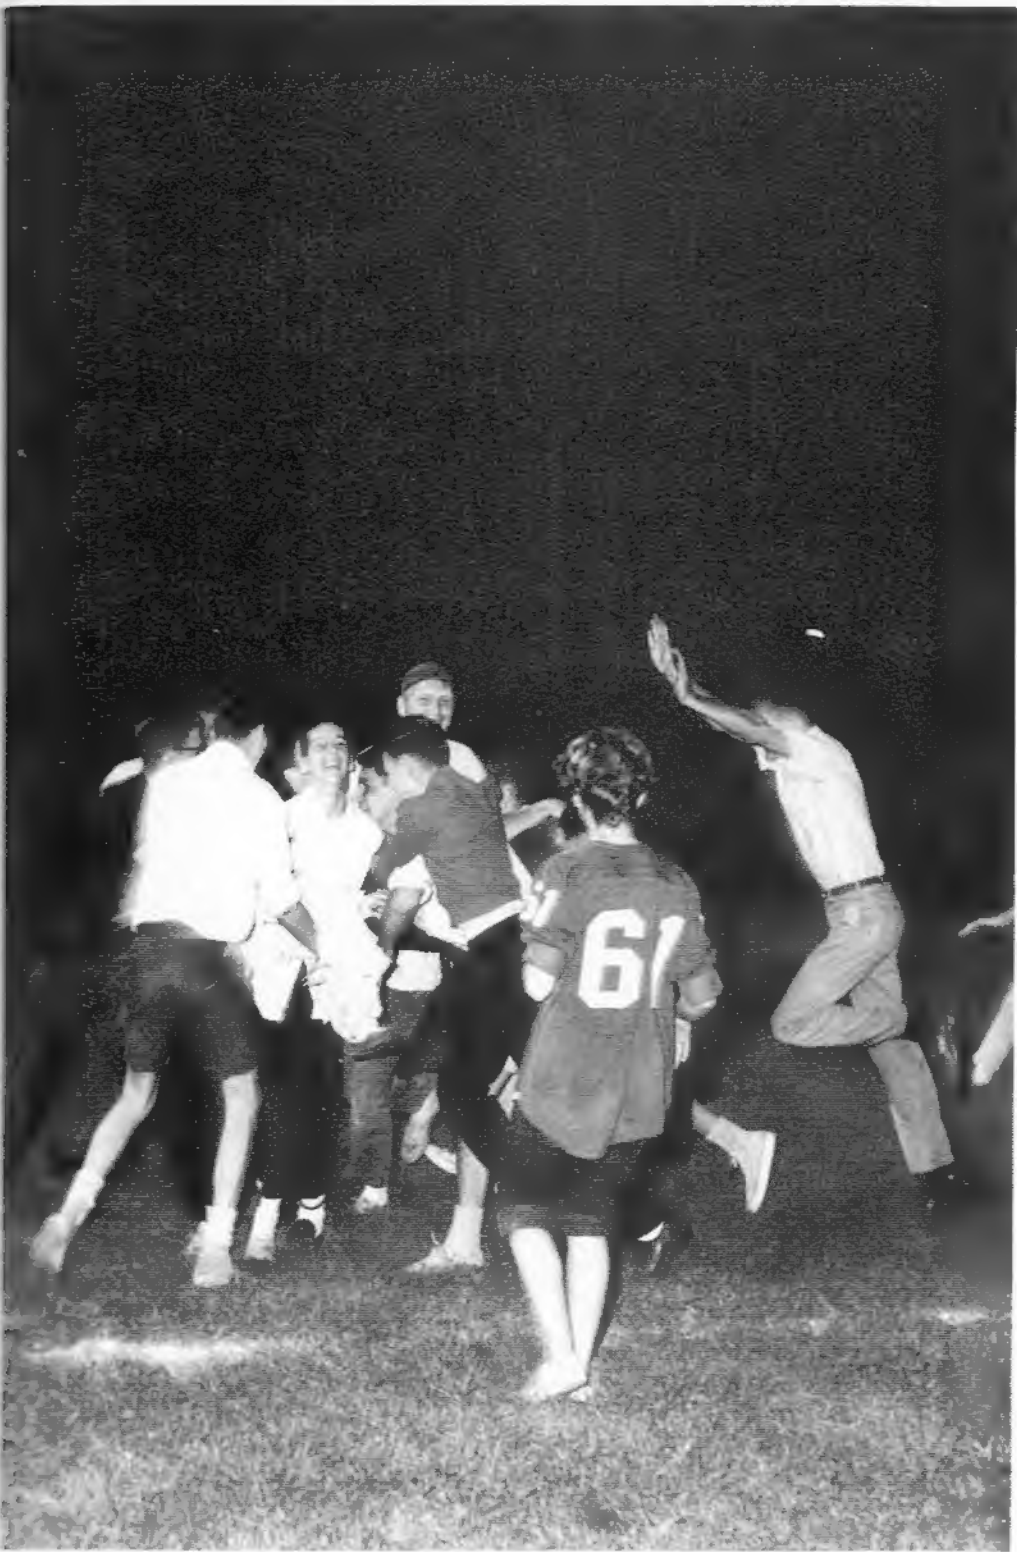

To whispers, laughs, and tears;

To September—bright and burning,

gray with rain.

## To The Class Of 1963

Seniors... it doesn't seem possible. Has it really been three years since we first entered the maze of changing classes, freshman initiations, and upperclassmen? There was the exhilarating joy of long, happy hours of work on the Junior-Senior (by the way, did we ever have our breakfast!?), a few memories of the shortest vacation ever, and then we were the leaders, the senior Blue Knights. Now we leave even this honor to those behind us; but these will always be remembered as years of learning, of experience, of disappointment, of accomplishment, of love, of awakening to life.

A handful of pine-seed will cover mountains with  
the green majesty of forests. I too will set my face to  
the wind and throw my handful of seed on high.

The pagoda that cost three times more than the average Chinese house...

Are you sure this is the 5 O'Clock Club?

Does she, or doesn't she?

And Napoleon said, "Therefore..."

"I had this friend one time..."

We must have been beautiful babies!

Then sometime in the spring we wondered if we had faces of our own. "Who are we?" we asked the crowd. "You are one of us," they answered. And we knew next year we would be those who had been here before.

The Future Homemakers of America is the national organization of pupils studying homemaking in high school. It offers opportunity for the further development of pupils' initiative in planning and carrying of activities

related to homemaking. Among the annual projects of the F. H. A. are the Mother-Daughter Tea and Good Appearance Week.

# Glee Club

Each weekday morning at eight o'clock the sleepy silence of the campus is awakened by the cheerful (?) modulations of the school choir. This enthusiastic group has added much to our school spirit in the realm of music; under the excellent direction of Mr. Bill McAdams, the club presents two concerts and various other programs annually. This year they presented a special Christmas concert which added much to the holiday spirit. To Mr. McAdams and the members of the choir we give a special "Thank You" for donating your time and talents to a most worthy service.

The Monogram Club is an organization of high school athletes who have lettered in basketball, football, golf, cheerleading, or baseball. This year's money-making project was selling chocolate bars. ## Pep Squad

Invariably on the day group pictures are to be taken the membership of the Pep Squad swells immensely. But this (of course) is merely the enthusiasm of the mass in a final effort to be enrolled in the '63 annual. During the

football and basketball seasons, every member of the energetic Pep Squad is always present at every game, wildly cheering our team on to victory (occasionally).

# 1962 Football Squad

The Southern Pines Blue Knights football squad was a tough, hard-working group of boys, coached by Billy Megginson, who put forth a great amount of effort but were unable "to set the woods afire" because of numerous injuries plagued upon them during the season. The co-captains of the 1962 squad were Johnny Bristow, Jerry Bradley, John Wade, Pat Dougherty, David Miller, and Norman McKenzie.

THE STARTING FIVE: left to right: Johnny Bristow, co-captain; Hal Hassenfelt, Joe Hiatt, Francis Warren,

Robert McCrimmon, co-captain; and Mr. Dan Kruger, coach.

## Boys' Varsity Basketball Team

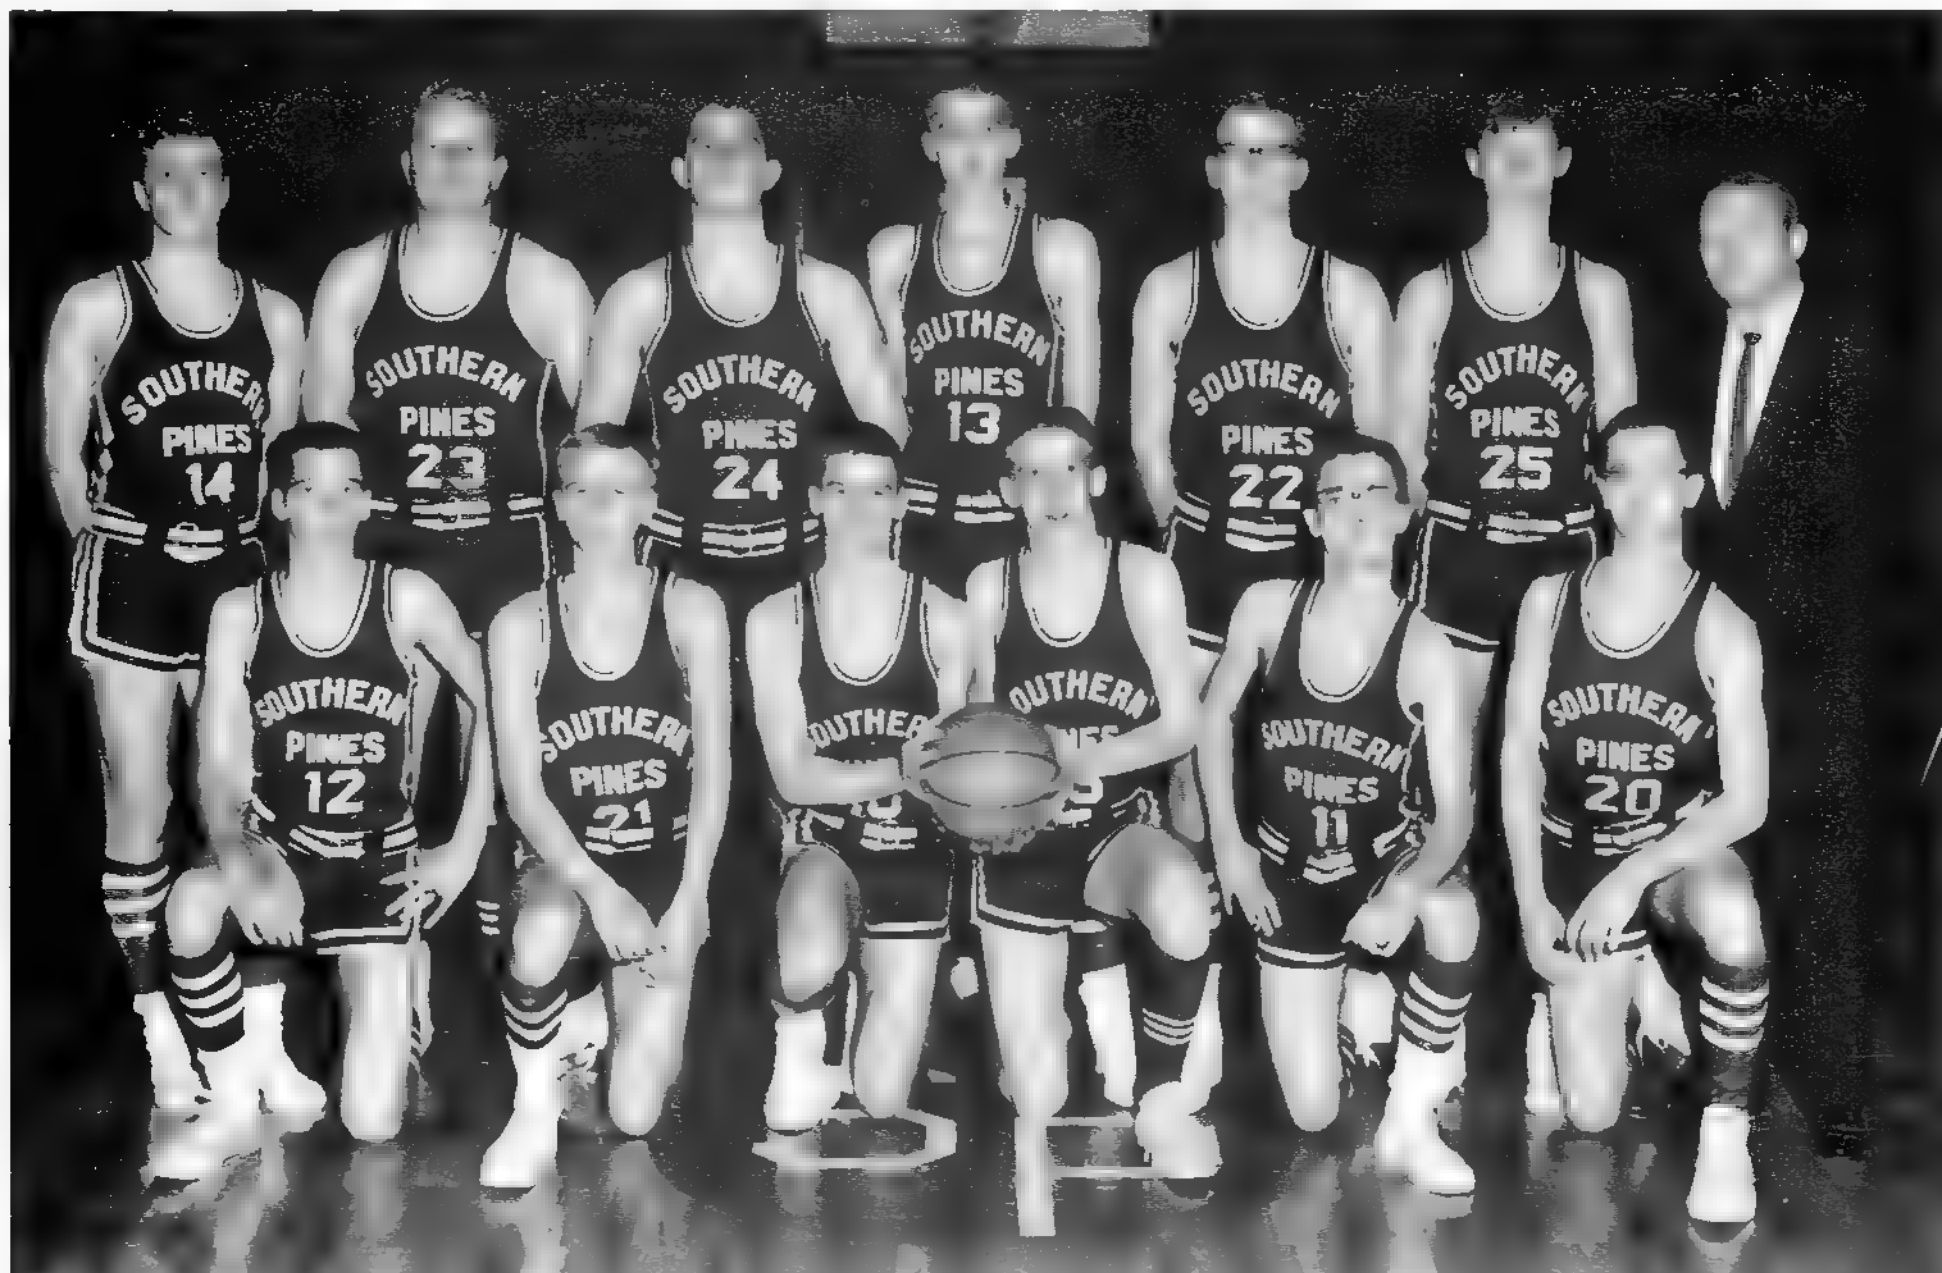

The 62-63 Blue Knights basketball squad started the season anew this year, with only one of last year's starters back again, Johnny Bristow. This lack of experience was a factor against them, but under the excellent leadership of Coach Dan Kruger, this was an obstacle overcome.

The seniors on the varsity squad this year were Johnny Bristow, Eddie Ormsby, Joe Hiatt, Jerry Bradley, and Ralph Hendren. These boys made up the spirit, attitude, and backbone of the team, through their leadership. The juniors seeing much action this year were Robert McCrimmon and Francis Warren, with Robert pumping in the outside shots and Francis burning up the backboard with his left-handed hook shots. The sophomores on the team were Hal Hassenfelt, Lin Daeke, Larry Bradley, and Mac Fowler, all excellent players and the ones to watch in the years to come. Freshman Harry Webb, who has seen much action this year, is a very promising, tall player.

HATS OFF to the Blue Knights basketball squad!

"...please, I'd rather do it myself."

THE STARTING SIX: left to right: Susan Huntley, Janie Gehweiler, Clara Harper, captain; Brenda Watkins, Julia

McMillan, Carolyn Niles, and Mr. Bill Megginson, coach.

## Girls' Varsity Basketball Team

Hats off to the girls varsity squad too! The new rules and roving players have meant a lot of extra work and action this year. Sometimes at a loss for victory, the girls are NEVER at a loss for team spirit. The senior, high-scoring, team captain, Clara Harper, will be missed next year. But the many experienced underclassmen should produce a very fine team.

Forwards Janie Gehweiler, Susan Huntley, Julia McMillan, Brenda Watkins, Carolyn Niles, Joyce Wiliford, and Perry Davis have all seen a great deal of action this year. In there, too, fighting equally hard, were guards Becky Austin, Mary McMillan, Carol Robinson, and Janet Phillips. The freshman addition to the team this year was Teresa Hicks, who will go a long way on S.P.'s team.

Win or lose, these girls exhibit good sportsmanship and represent our school well. Congratulations to Coach Megginson and the Blue Knights!

"Can't you children play some place else?"

## Boys' Golf Team

At the time of this writing, the golf team had not begun playing, but we anticipate a good year from some of the good golfers in the high school. Don Moore, organizer and coach of the golf team will aid and accompany the boys when they play this spring.

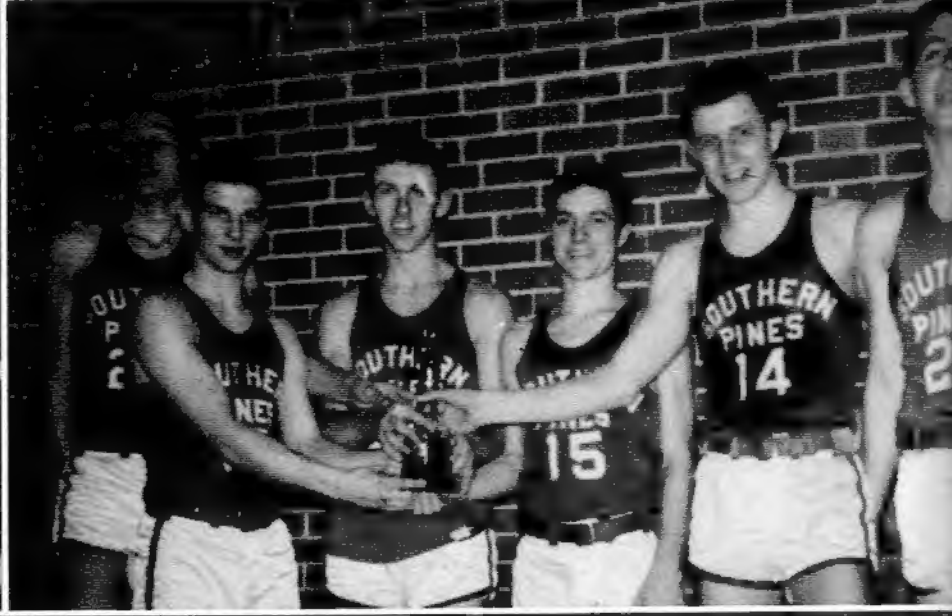

## Girls' Golf Team

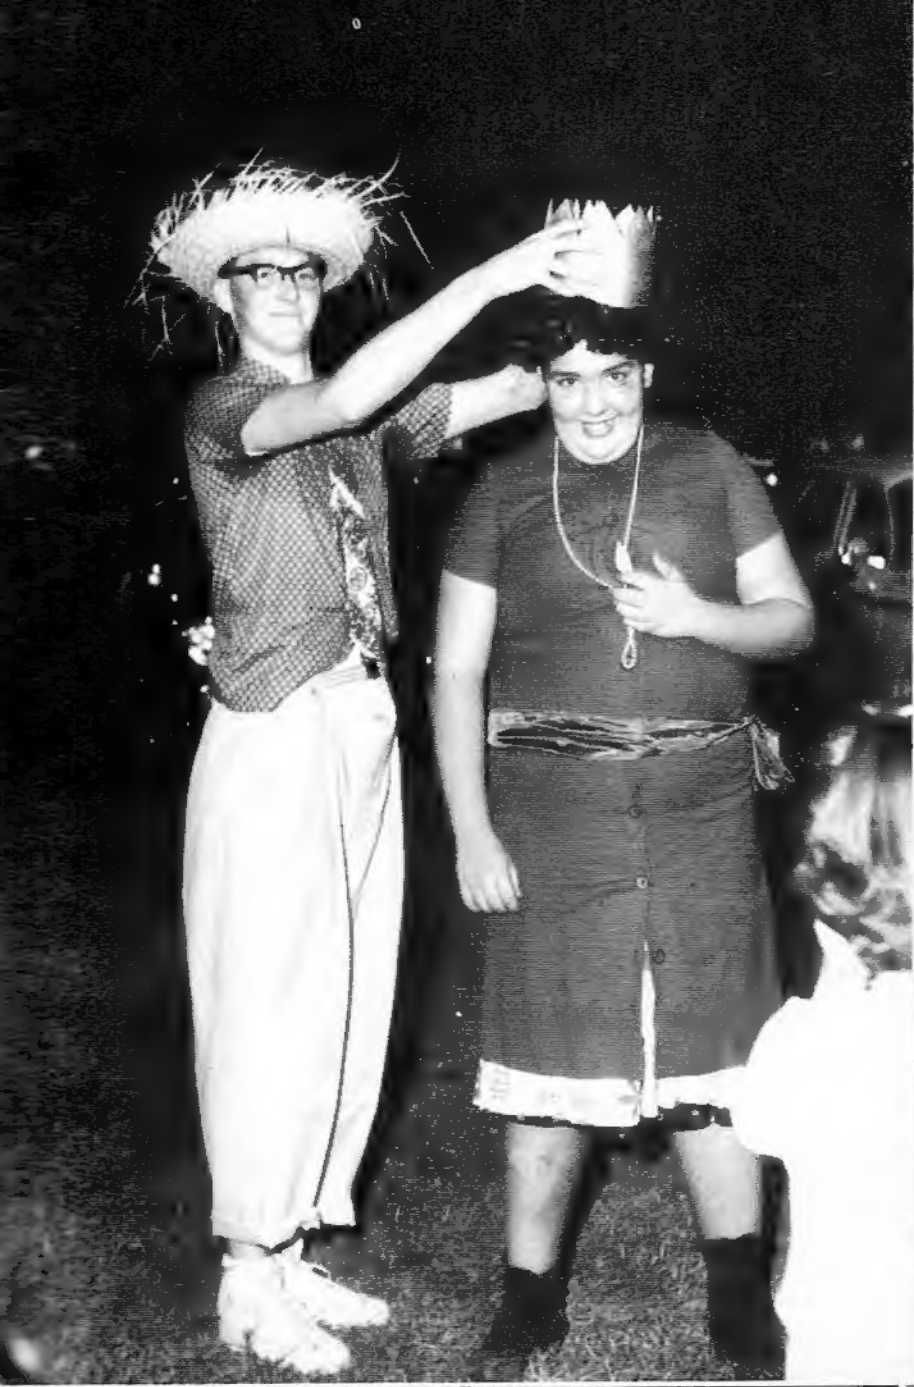

This year, for the first time, S.P.H. has a Girls' Golf Team. There has been active and enthusiastic participation by many of the highschool girls. The team will get into the full "swing" of things this spring, when they will receive instructions in the fundamentals of the game. This newly formed organization is under the direction of Miss Gail Miller.

Great it is to believe the dream

When we stand in youth by the starry stream;

But a greater thing is to fight life through

And say at the end, "The dream was true."
